I just want to reiterate my concerns about Sutro St. & Selmi Dr. that I brought up at the original Planning Commission hearing for this project.

All the recent construction for these projects has left Sutro St. in very poor condition. Please consider repaving it from McCarran to Sun Villa Blvd. With increased road and pedestrian traffic please consider putting in a 4 Way Stop Sign at the intersection of Selmi and Sutro.

Thank you for your time and consideration.

Thank you,
