Motel Improvement Team

Reno Police Department

The Reno Police Department has changed the concept of operation of the former Motel Interdiction Team and will now focus on a Community Oriented Policing and long term Problem-Solving approach to address the quality of life and living conditions within Motels in Reno. With this new approach the team will be rebranded as the **Motel Improvement Team**.

Reno Police Department

Mission

The mission of the Motel Improvement Team (MIT) is to change the environment in and around each motel in order to create a safe, thriving, healthy, and law-abiding neighborhood. This shall be accomplished through a joint partnership with Code Enforcement, other City of Reno Departments, and other Agencies within the region.
