## Interests & Experiences

### Education or training relevant to the board or commission to which you are applying:

---

I have been a practicing attorney in Northern Nevada and California for 25 years, operating from my office in Reno. In that capacity I have engaged with local, state and federal agencies, courts and government. My education includes majoring in Government and Sociology and I studied environmental, natural resources and land use extensively at U.C. Davis School of Law.

### Explain briefly why you would like to be appointed to this board or commission.

---

After practicing primarily in criminal and civil litigation over the past 25 years I am looking to engage more in community affairs. I have recently launched Great Basin Policy Partners, Ltd. which will reorient my law practice toward public policy, government affairs, natural resources and public lands issues. While my professional endeavors will concentrate on guiding clients toward reaching their goals primarily at State and Federal levels I want to focus my personal efforts on local priorities and improving life for residents in and around Reno.
