To Whom It May Concern:

My name is Darrin Maddox, I am an entrepreneur in the Truckee Meadows. I own and operate 3 businesses in the City of Reno. One is a CPA practice (specializing in forensic accounting and business valuations). The second is an escrow company (specializing in construction, voucher control services). And the third is a construction and land development company. I have worked with Ms. Azzi Shirazi both in the capacity of voucher control services on her various real estate/construction projects as well as providing small business accounting consulting services.

It is my pleasure to recommend Azzi Shirazi to the City of Reno's Financial Advisory Board. She has hands on experience with all aspects of finance with the businesses she is involved, from budgeting, to financial analysis, to cost control. A few other reasons why I believe Azzi would be an asset to your team, in addition to her professional experience, is based mostly on her personality: Hard working. Positive attitude. Refreshingly thinks outside of the box. Provides alternative solutions to problems she is presented. Does not hesitate to accept the good ideas from others around her. She also shows a love for the city of Reno and would truly like to see it prosper. Her tenacity to work hard and with professionalism on projects and complete them with satisfactory results is immeasurable. Her professional experience stems from developing her own businesses and taking on failing businesses to restructure them and assist in financial directives for success.

I highly recommend you accept Azzi Shirazi for the role on the Financial Advisory Board of the City of Reno. I am confident she will make an excellent addition. Please feel free to contact me if you have any questions regarding her character or qualifications related to this position.

Sincerely,

Darrin Maddox, MBA, CPA, CVA
