My name is Sutter Strobel. I'm calling with regards to LDC 20000 70 the HP house my wife Samantha and I own the parcel in question in addition to a couple of warehouses and other businesses on Dickerson road course, we are extremely supportive of the project. We think what your lease is trying to do is great for the street and Dickerson, it's good for the community and and I believe Reno as a whole as well the businesses support it all the members of the white ceramic Studio or supportive of it. And I think it's a great addition. I hope you'll take this into consideration when making your decision. Thanks so much.
